

Abiquiu Elementary Food Pantry Open

Our school pantry is now open to the public and we are committed to help you with food assistance if you are in need.

* Where does the food come from? *

Espanola Public Schools Has partnered with Luciente. They are Abiquiu's local and on-the-ground nonprofit organization that invests in the lives of youth in our community.

Families of Abiquiu Elementary have access to in-school Grab-n-Go food pantries as a result of our collaboration with school staff. We outfitted the pantries with shelving and equipment and keep them stocked throughout the year, and supply both pantries with healthy and nutritious food.

**Please contact
Mattie Gallegos
for information on the food
distribution schedule
(505) 485-4457**

* Hunger Is Closer Than You Think *

Hunger in our community is often hidden, but it affects one of every six people and one of every four children in our state.

**Food Distribution is available daily.
